## DIRECTIONS TO THE CLINIC

The Healing Order  
39420 SE Gordon Creek Road  
Corbett, Oregon 97019  
1 (503) 695-2977

From Portland, drive East on I-84 past the Gresham and Troutdale exits.

Take the Lewis and Clark State Park Exit (Exit 18). Turn left at the next stop sign. This is the Historic Columbia River Highway. After passing through the village of Springdale, stay right through two "Y"s in the road, ending up on Hurlburt Road. When you reach the flashing red light, turn right onto Gordon Creek Road.

Continue on Gordon Creek Road for about 4 miles. Gordon Creek Road is a winding road and rather hilly. As the road winds to the right at the top of the last hill, you'll see the Trout Creek Bible Camp sign on your left. This indicates that you have another 0.7 miles to drive.

On the right there's a green shelter and large yellow mailbox labeled 39420 at the edge of the road. Turn right into the center driveway. You are now on the property and road to the clinic.

Drive under a big wooden archway that says "Nellie Creek" in faded letters. Continue on the center driveway down the hill. The gate has a sign with The Healing Order on it. Proceed through the gate (please close it if it is closed when you arrive). Drive past the barn, field, and other structures and continue along the small dirt road. The road can be bumpy, so drive slowly! You will arrive at out parking lot at the top of the last hill.

Welcome to the The Healing Order! The entrance to the waiting room is directly to the left of the main house door. Please remove your shoes just inside the door and make yourself comfortable. One of our staff members will be out to greet you.

If you feel more comfortable waiting in your car, please call us when you arrive and we'll come get you when it's time for your appointment.
